# DESIGNING YOUR ENTERPRISE VIDEO SOLUTION

Haivision Video

## THE HAIVISION DIFFERENCE

QUALITY

SECURITY

FLEXIBILITY

SPEED

## Corporate Streaming

Engage your employees with live and on-demand video. The [Haivision Media Platform](#) helps your company organize, manage and share secure, high-quality live and on-demand video to every employee, on any screen.

- Live stream, record multiple HD sources, or watch IPTV or VOD content anywhere
- Deliver high quality, secure, video to desktops, monitors and mobile devices – anywhere.
- Distribute live video to multiple locations worldwide without overwhelming the network
- Easy and fast deployment

## IPTV

Centrally manage and distribute IPTV and live corporate content to every screen within a facility, including auditoriums, lobbies, break rooms, and conference areas. The [Haivision Media Platform](#) provides you with a powerful and easy-to-use IPTV solution to deliver broadcast TV and other live content everywhere throughout your facility.

- Distribute TV to displays, desktops and mobile devices
- Set-top box management
- Deliver live content to all screens for group viewing
- Centralized management & control

## Digital Signage

Keep your employees informed and engaged with dynamic communications throughout the enterprise with [Haivision's digital signage system](#). Share corporate events, notifications, news, performance metrics, internal broadcasts and IPTV channels.

- Automated data-driven dynamic content
- Support for multiple content owners and lines of business
- Efficient multi-site distribution
- Powerful graphics processing & advanced scheduling
