WINTER/SPRING 2023

Background

WE HELP YOU **MAKE AN IMPACT** IN YOUR CLASSROOM

Newline creates the campus tools of the future. From interactive flat panels that keep students engaged throughout the lecture, to digital tools that enhance online learning, Newline reinvents student engagement and course communication in a time of remote and blended learning.

Newline Interactive is an award-winning manufacturer of interactive displays, intuitive software, and other interactive innovations that are easy to use and increase content retention in technology aided instruction.

We are a leading provider of software and hardware that helps colleges and universities find more ways to engage their students, train their faculty, and inspire more active learning.

It is your passion to teach. Newline Interactive helps enhance the delivery.

TRANSFORM YOUR
CAMPUS

Newline is a one-stop shop for schools. Our all-in-one solutions and accessories give you all the innovative tools you need.

Newline focuses on creating products that keep your campus running more effiectively. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to make in-person and remote instructions easy.

Easy for Anyone to Use

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

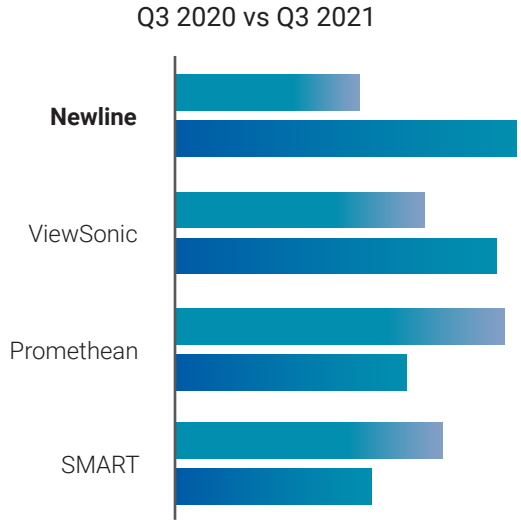

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

Distance Learning Flexibility

Whether teaching students remotely, in-person, or in a blended learning environment, Newline's solutions help keep your faculty connected to their students.

Newline is Number 1!

Newline is the largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

"We Help Your School Make an Impact"

We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You'll never have to worry about if Newline can fill an order.

Z Series

Built-in Mic Array

An integrated 8-microphone array with automatic gain control and echo canceling technology ensures a crisp clear voice transmission from anywhere in the room.

Modular Camera

The UC Ready Z Series comes with a flexible 4K modular, wide-angle camera with a 120° FOV can be tilted upward and downward within 15° to the angle that works for classrooms of all sizes.

Eco-Friendly Proximity Sensor

FROM OUR CUSTOMERS

Mark Baratta

Director
Computing
University of Washington

"People here have found the X7 to be very easy to use—so easy that they often do not need assistance from local technical support. This of course means that those of us doing technical support like the X7 a lot!"

Kelly McClure

Director
Information Technology Services
Eifler Advisory Group

"What Newline does for us is simplify the footprint for instructional technology. I can have one device and that one device does everything that I need. If you're looking to create a smaller footprint in your instructional technology platform, then Newline is absolutely the way to go."

Tim Salm

Director
Robinson Memorial Library
Saint Joseph's College

"In a generation that has grown up with the iPhone and touchscreen technologies, the Newline interactive touchscreen makes sense to students and they respond positively (and intuitively) to it."

Chris Severson

Executive Dean
Education Services
Mid-State Technical College

"Mid-State Technical College is pleased with this product and partnership with Newline. We look forward to growing our relationship and seeing the future possibilities from the company."
