HDMI® DONGLE ADAPTER RING

CONNECT NEARLY ANY DEVICE TO YOUR IN-ROOM DISPLAY

C2G®
A brand of **legrand®**

The Patent Pending HDMI Adapter Rings from C2G are the perfect addition to conference rooms, huddle spaces, lecture halls, classrooms, and even hot-desking—ensuring that anyone can connect at all times. Available in two different configurations, the C2G HDMI Dongle Adapter Rings provide ultimate flexibility to fit the needs of any space.

MOUNTING OPTIONS

Two different mounting options provide the flexibility for you to choose what best meets the needs of your room.

— Universal Cable Mount attaches directly to an HDMI cable (5-10mm diameter)
— Retractable Universal Mount attaches to any flat surface, like a table or lectern

ESSENTIAL A/V ADAPTERS

Don't worry about having the right connections anymore. Standard configurations include the adapters to connect nearly any device to the in-room display.

— USB-C® to HDMI
— DisplayPort® to HDMI
— Mini DisplayPort to HDMI

Add even more connectivity with these optional adapters:
— VGA and Audio to HDMI
— Apple® Lightning® to HDMI

4K RESOLUTION

Maximize the performance of the in-room display and provide the detailed images required for analytical or detailed decision making. All adapters in the standard configurations support up to a 4K video resolution.

COLOR CODING

Each adapter is color coded with a band that saves time and frustration by making it easy to quickly identify the adapter you need, "I need the yellow one".
PULL TAB

Easily grab the adapters when you need them with the integrated Pull Tab. Also, the pull tab may be customized to feature your company or organization logo*.

TOOLS INCLUDED

No more overnight orders or digging to find the right installation tools—everything you need to attach the adapters is included. The HDMI Cable Gauge Tool eliminates the guess work and reduces the time you need to mount the Universal Cable Mount to the HDMI cable.
DONGLE ADAPTER RING CONFIGURATIONS

C2G®
A brand of **legrand**®

UNIVERSAL 4K HDMI® DONGLE ADAPTER RING

C2G30028

— Mounts directly to the in-room HDMI cable, ensuring the adapters are always within reach

— Slides to the HDMI connector when needed and out of the way when not in use, reducing strain on the HDMI cable and clutter on the tabletop

— Installation tools for mounting the adapters and optional stopper are included simplifying the ordering process

— The innovative HDMI Cable Gauge Tool reduces stopper installation time by allowing the right-sized stopper insert for the HDMI cable to be quickly identified

— The optional stopper fits on HDMI cables from 5mm to 10mm in diameter and prevents the adapters from sliding too far down the cable

RETRACTABLE UNIVERSAL MOUNT 4K HDMI® DONGLE ADAPTER RING

C2G30029

— Mounts to any flat surface, like a table or lectern, providing mounting flexibility to best fit your environment

— Extends out to 4.9ft, ensuring that the adapters are always within reach when needed

— Installation tool for mounting additional adapters or adjusting the wire length at full retraction are included, simplifying the ordering process

— The retractor is tested to over 20,000 extension cycles for a long service life and is backed by a lifetime warranty

LOOKING FOR SOMETHING DIFFERENT?
