- 2 Models Available (8x4+2 or 6x2+1 All-In-One Presentation Switchers)
- 4K60 4:4:4 video, HDMI 2.0, HDCP 2.2, and HDR
- 120-watt Crown amplifier, BSS Audio DSP, Dante Audio and NX Control Processor
- Simple to configure – HTML5 web-based configuration
- Flexible for every space – excel on its own or when integrated into an enterprise-wide solution

## USER INTERFACES & CONNECTIVITY

### MASSIO CONTROLPADS & KEYPADS

- High performance ControlPads that deliver room automation
- 4 Models Available (6 or 8 button, with or without knob)
- Simple to configure with AMX's Rapid Project Maker or custom programming
- Ideal for huddle spaces and small conference rooms
- Select models include NX Master Security firmware for spaces requiring secure communication over the network

### HYDRAPORT ARCHITECTURAL CONNECTIVITY

- Access to all connectivity needed for presentation, device charging and room control
- Sleek, flush-mount table boxes designed to blend into the modern workplace
- 12, 9, and 6-port connection modules available
- Power modules can be installed without the need for an electrician
- Button modules provide simple yet powerful control

### TPC-TPI-PRO ROOM & PRESENTATION CONTROL

- Enables third-party touch monitors to be used for room and presentation control
- Display multiple video windows from multiple sources, and switch between sources in real time
- Enables all video content, presentation control and environmental control to come together on one central dashboard
- User friendly, live graphics and intuitive auto-scaling user interfaces

### MODERO G5 TABLETOP & WALL MOUNT TOUCH PANELS

- A suite of control panels that integrate all functionality into a single interface
- Streamline meeting spaces, classrooms, briefing rooms, auditoriums and more to easily control all technology devices within the space
- 5 Models Available: 10.1" Wall Mount, 7" Wall Mount, 10.1" Tabletop, 7" Tabletop, 20" Panoramic Tabletop
- G5 Graphics Engine, Quad-Core Processing, and Capacitive Touch Screen
- Elegantly-styled, with fast and smooth animations and transitions

## CEILING, SURFACE MOUNT & COLUMN SPEAKERS

### LCT 81 C/T

#### LOW-PROFILE LAY-IN 2'X2' CEILING TILE LOUDSPEAKER

- Provide full-range, high-fidelity sound reinforcement by replacing ceiling tile
- 4" to 6.5" speaker size versions (70v and 8ohm capable)
- Deliver extremely wide, even coverage, requiring fewer speakers
- Two subwoofer models available
- Paintable

### CONTROL CONTRACTOR 20 SERIES

#### BLIND-MOUNT SMALL FORMAT CEILING SPEAKERS

- The industry-standard ceiling speaker
- Provide full-range, high-fidelity sound reinforcement for applications such as background music or music-plus-paging systems
- 4" to 6.5" speaker size versions (70v and 8ohm capable)
- Deliver extremely wide, even coverage, requiring fewer speakers
- Paintable

### CONTROL CONTRACTOR 20 SERIES

#### SURFACE MOUNT SPEAKERS

- 13 Models and sizes with an assortment of coverage patterns and output ranges
- Deliver superior fidelity with high SPL output and wide, consistent coverage
- Weather-resistant transducers & enclosures with high-impact polystyrene shells
- Recently updated to provide higher power handling, extended frequency range and U-bracket option
- Patented JBL InvisiBall™ mounting enables easy install and theft deterrence

### CBT 50LA-I

#### PASSIVE CONTROLLED-COVERAGE COLUMN SPEAKER WITH EIGHT 50MM DRIVERS

- Patent-pending Constant Beamwidth Technology™ delivers sound evenly throughout the space
- Switchable voicing: flat response in music mode or mid-range presence peak in speech mode
- Dynamic SonicGuard™ overload protection
- Built-in 70V/100V transformer, plus 8ohm direct capability

## PORTABLE PA

### EON ONE COMPACT

#### ALL-IN-ONE BATTERY POWERED PORTABLE PA WITH 4-CHANNEL MIXER

- 112 dB output the highest volume in its class
- 8-inch woofer with deep low-frequency performance down to 37.5 Hz
- Ultralight unit weighs just 17.6 pounds (8 kg)
- Set up quickly and easily using JBL EON ONE Compact Control app
- Tool-free, swappable battery provides up to 12 hours of playtime
- Bluetooth integration enable music streaming and connection 4 Eon One Compact units

### EON ONE PRO

#### ALL-IN-ONE BATTERY-POWERED PA WITH 7-CHANNEL MIXER

- Unobstructed 8" subwoofer and linear array delivers chest-thumping bass and great coverage
- Perform for up to 6 hours without recharging
- Lightweight (~35 lbs) and compact modular design for easy breakdown and transport
- 7-channel analog mixer featuring Hi-Z inputs and phantom power
- Stream break music or backing tracks from your mobile device via Bluetooth.

## AKG

## MICROPHONES

### CK99L

#### LAVALIER MICROPHONES

- Cardioid Lavalier microphone
- Natural sound with a 10kHz bump for clarity
- Small footprint so it is easy to hide
- Windscreen included
- Works with all of our AKG belt pack version Wireless systems

### DMS100/300

#### WIRELESS MICROPHONE & INSTRUMENT SET

- Seamless setup and operation of up to four (DMS100) or eight systems (DMS300)
- Built-in AES 256-bit encryption with 24-bit, 48kHz digital audio resolution
- 30-meter (100-foot) operating range
- 12-hour battery life using 2xAA batteries
- Body pack supports AKG MicroMic (3-pin mini XLR) line

**AKG**

## MICROPHONES AND HEADPHONES

### AKG P120

#### CONDENSER MICROPHONE

- Clear, accurate and affordable vocal microphone
- Rugged, all-metal body and robust design
- Versatile, general-purpose microphone
- Excellent for recording, content creation, or presentation

### AKG K361-BT/K371-BT

#### BLUETOOTH HEADSETS

- Over-ear, closed back for optimal comfort and sound quality
- Built-in microphone
- Incredible AKG sound clarity
- Great for working, creating content or studying from home

### AKG LYRA

#### USB MICROPHONE

- Ultra-HD sound with elegant retro design
- Plug in headphones and control volume from the Lyra
- Automatically reduces noise and improves signal levels
- Ideal for podcasting, creating content, gaming or working from home

### AKG PODCASTER ESSENTIALS

#### AUDIO PRODUCTION KIT

- Includes AKG Lyra microphone and K371 headphones
- Ultra-HD sound quality
- K series headphones offer excellent comfort for all-day use
- The perfect bundle for home workers and content creators

Soundcraft

## MIXERS AND MONITORS

### SOUNDRAFT NOTEPAD SERIES

#### ANALOG MIXERS

- Legendary Soundcraft sound for music, podcasts or videos
- Built-in USB audio interface to use with editing software
- Renowned Soundcraft mic preamps
- Well-suited for home studio or portable studio requirements
- Not just for musicians – perfect for podcasters too

### JBL 104-BT

#### BLUETOOTH STUDIO MONITORS

- Excellent sound for the price – available in either black or white
- Acoustically optimized for desktop placement
- Three sets of inputs and built-in Bluetooth
- Great for content creators, home workers, musicians

### JBL 3 SERIES MKII

#### STUDIO MONITORS

- Next generation JBL transducers for optimized response
- New Boundary EQ settings
- Powerful sound from dual integrated Class-D amplifiers
- Image Control Waveguide delivers precise detail and bigger sweet spot

### JBL LSR310S

#### POWERED STUDIO SUBWOOFER

- 10" studio subwoofer with patented Slip-Stream™ port design
- XLF – Extended Low Frequency setting
- Custom 10" down-firing high-excursion, low-frequency drive
- Professional balanced inputs and outputs
- Selectable input sensitivity
