ONE SOLUTION FOR ALL

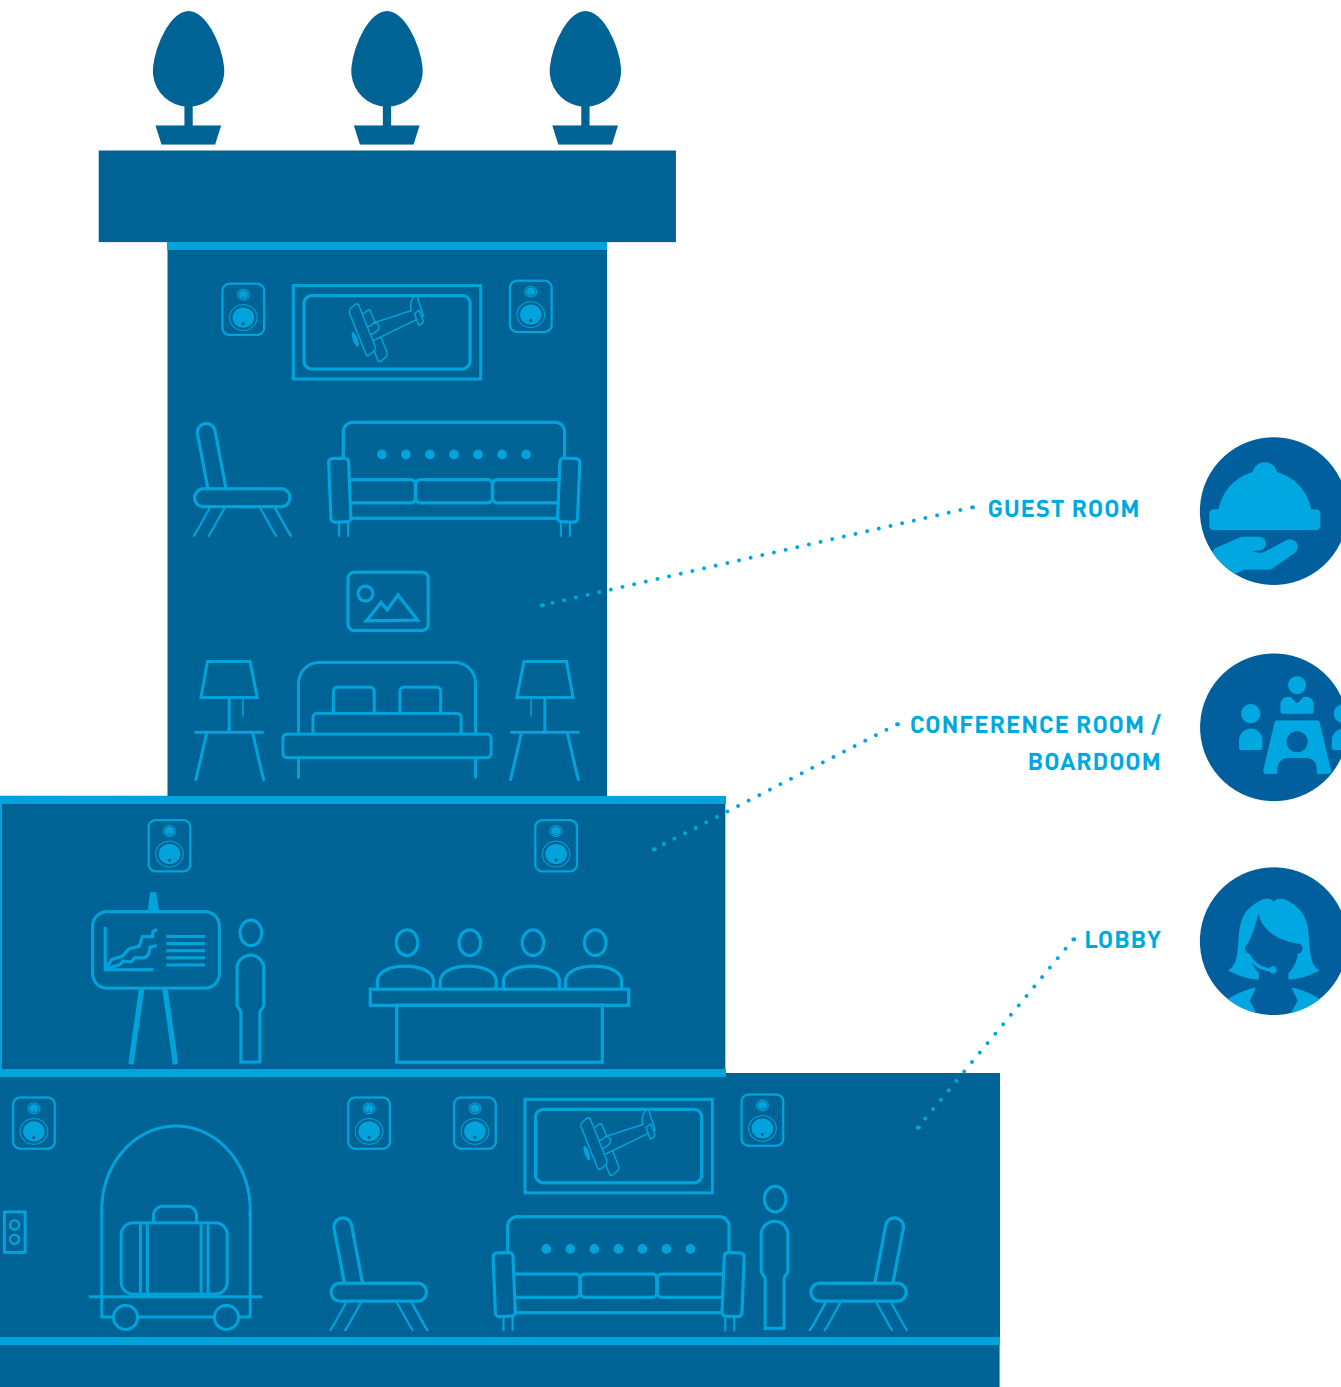

Hotels offer guests a memorable end-to-end experience, with spaces for dining, entertainment, work, and relaxation. HARMAN Professional Solutions enables hotels to create a unique and engaging guest experience by delivering scalable, high-quality solutions to meet the unique needs of hotels around the world.

COMMON HARMAN APPLICATIONS IN HOTEL SPACES

Digital Signage
Audio Processing and Distribution
Loudspeakers
Video Signal Distribution

Architectural Lighting
Control and Automation
Collaboration and Conferencing
AV Asset Management

CREATING IMMERSIVE GUEST EXPERIENCES

HARMAN Professional Solutions offers a portfolio of solutions with a breadth and a depth that meets the needs of any hotel space. From the minute your guests walk in the door to the moment they leave, HARMAN audio, video, lighting, and control is shaping their experience, ensuring they'll remember their stay for years to come.

BUILDING EXTERIOR

The Perfect First Impression

A hotel's exterior can impact guests before they even walk through the door. HARMAN architectural lighting and digital signage solutions enhance the existing architecture while reinforcing the hotel's brand, creating a signature experience.

CONVENTION SPACE

Flexible. Scalable. Effective.

Hotel convention spaces must be configured for a variety of different uses at a moment's notice. HARMAN audio and video solutions have the flexibility and scalability to address any need, with automation technology adjusting the configuration at the press of a button.

CONFERENCE ROOM / BOARDROOM

Present - Collaborate - Share

Hotel meeting rooms and boardrooms offer business travelers the same capabilities as their conference rooms at the home office. HARMAN technology empowers effective collaboration between hotel guests in the room and people across the globe.

GUEST ROOM

A Home Away From Home - But Better

Hotel guest rooms are designed to provide all the comforts of home, while also offering a unique experience. HARMAN automation allows guests to control audio, video, lighting and more using intuitive touchpanel and voice interfaces.

LOBBY

A Welcoming Experience

A clear sense of identity in the lobby is critical to crafting a hotel's overall experience. HARMAN lobby and reception solutions welcome guests with digital signage, architectural lighting, live TV, and background music.

POOL

Entertain In Any Weather

Hotel pools are designed to provide excitement and entertainment to guests, whether they are going for a swim or simply laying out in the sun. HARMAN audio, video, and lighting solutions are able to keep the party going no matter what the weather.

RESTAURANT / BAR

The Total Package

A hotel restaurant or bar allows guests to eat, drink, and talk right within the hotel, offering everything they need within a single space. With a complete audio, video, and lighting solution from HARMAN, hotels can provide a complete hospitality solution to guests.
