Xtreme<sup>™</sup>  
High Bright  
Outdoor Displays

Advertisement for Fitness Gym Center. The poster features a large red chevron pointing right, containing the text "FITNESS GYM" in large white letters, with "CENTER" in smaller white letters below it. To the left of the chevron, there is a black silhouette of a person in a dynamic pose, a grid of white dots, and a dumbbell icon with the text "JOIN NOW" below it.

Advertisement for Travel. The poster features a white background with a small icon of a person and the text "TRAVEL" above "Explore THE WORLD". Below the text is a small image of a globe and a person.

Advertisement for a watch. The poster features a purple background with a watch face and the text "WATCH" above "THE WORLD".

---

## UNMATCHED DISPLAY CAPABILITIES

There has never been an outdoor daylight readable display built to withstand the harsh outdoor elements like the **Peerless-AV® Xtreme™ High Bright**.

With unmatched capabilities, Xtreme High Bright Outdoor Displays are the perfect digital signage or entertainment solution for any professional application. Offering top-of-the-line outdoor video quality, along with the durability & longevity backed by a two-year warranty, Peerless-AV Xtreme High Bright Outdoor Displays will take your business to the next level.

**peerless-AV®**  
*Driving Technology Through Innovation*

## PRODUCT FEATURES

### WEATHERPROOF TECHNOLOGY

With an IP66 Rating & a patented thermal exhaust system, the Xtreme™ High Bright Display is fully sealed & protected against water, dust, moisture & insects.

### BEST-IN-INDUSTRY TEMPERATURE RANGE

With an operating temperature range of -31°F to 140°F, the Xtreme™ High Bright Display is designed to thrive outside year-round, without worry of extreme hot or cold temperature waves.

### RESILIENT IK10 RATED COVER GLASS

The Xtreme™ High Bright Display's robust IK10 Rated, anti-reflective cover glass helps protect the screen against vandalism & debris.

Visit [peerless-av.com/XtremeHB](https://peerless-av.com/XtremeHB) for more information.

## APPLICATIONS

The perfect digital signage or entertainment solution for any professional application.

MASS TRANSIT | QSR | STADIUMS

model numbers: **XHB554 (55")**, **XHB653 (65")**, **XHB754 (75")**

## TRULY SUNLIGHT READABLE

The Xtreme™ High Bright Display is optically bonded which increases the perceived contrast ratio & cuts down on glare, providing amazing picture quality, even in direct sunlight.

## MANAGED SERVICES COMPATIBLE

Remote & local monitoring is supported via IP Addressable user interface, allowing network operation centers the ability to view real-time diagnostics & measure proof of performance of Xtreme™ High Bright Displays.

## HIGH BRIGHT OUTPUT

The Xtreme™ High Bright line of commercial displays offer 2500nits\* of light output to combat high ambient lighting conditions. The Ambient Light Sensor automatically adjusts brightness, which optimizes the display's power consumption & enhances the viewing experience.

*\*XHB754 offers 3000nits of light output.*

Refer to product sell sheets for technical information.

# OUTDOOR SOLUTIONS

Peerless-AV® is a one-stop-shop for all your professional outdoor AV needs.

## DISPLAY MOUNTS

Mount your display outdoors with confidence using our corrosion resistant E-Coat finish and stainless steel hardware.

*Visit [peerless-AV.com](http://peerless-AV.com) for mount compatibility per display size.*
