ONE SOLUTION FOR ALL

HARMAN assists our higher education clients in harnessing the power of various, disparate technologies by ensuring they work reliably and cohesively, while allowing instructors to focus on communication rather than the technology they are using. Our goal is to help clients make learning technology manageable and secure.

LECTURE THEATRES**

CREATING EFFECTIVE, EFFICIENT FACILITIES

HARMAN Professional Solutions is the world's largest professional audio, video, lighting, and control manufacturer. We are shaping the transformation of higher education through bold innovations that enable instructors to engage with students using simple-to-manage technology integrated into efficient, connected learning environments.

ACTIVE LEARNING CLASSROOM

Collaborative Learning for the Flipped Classroom

Students in an active-learning classroom engage in group-based, collaborative, and interactive learning activities. HARMAN provides seamlessly integrated systems which allow professors and students to share content with small groups, the classroom, and distance learners.

ADMINISTRATIVE MEETING SPACES

State-of-the-Art Collaboration

HARMAN's AV technologies transform conference rooms into state-of-the-art collaboration environments, enabling staff, instructors, and students to feel comfortable operating the technologies, improving the quality of the information being shared.

AUDITORIUM & LECTURE THEATER

Present – Collaborate – Share

These large-scale teaching spaces have the ability to serve high-capacity classes with department-specific needs. HARMAN technology allows instructors to teach using content from room PCs, document cameras, and mobile devices to a variety of displays, sound systems and video systems.

STADIUMS & ARENAS

Where The Action Happens

HARMAN provides audio, video and lighting solutions for many of the world's most prestigious stadiums and arenas. Whether showcasing sports or music, HARMAN has the technology to ensure the action looks and sounds its best, providing spectators with an experience they'll never forget.

CLASSROOM

Engage Learners In-Room and Beyond

Higher education classrooms serve a variety of departments and students, and are used for a broad degree of academics. HARMAN AV systems are easy to use and manage, helping instructors engage students in the classroom and around the world through distance learning.

THEATER

Bringing Performances To Life

Whether a play, spring musical, or graduation ceremony, HARMAN has the right solution to ensure that anyone on stage can be perfectly seen and heard, including dynamic audio, brilliant lighting solutions, and more to ensure world class performances every time.

WORLDWIDE SOLUTION SUPPORT

HARMAN HAS SALES OFFICES AROUND THE GLOBE READY TO HELP
