

Colossal Power, Epic Warranty

Stunning sound needs a strong foundation. Whether you're an artist, producer, live sound engineer or systems integrator, you rely on Crown amplifiers to deliver clean, stable power every day. We know you want to make the most of your investment; that's why we back our award-winning products with some of the best guarantees in the business.

If you're considering upgrading to Crown, there's never been a better time: When you purchase any Crown product, we'll extend your warranty to six years—for free. That's a 1-year extension on our 5-year warranties, a 3-year extension on our 3-year warranties, and an incredible 5-year extension on our 1-year warranties.

Now you can enjoy unprecedented power, performance—and even greater peace of mind. At Crown, that's how we (rock and) roll.

Offer valid for products purchased January 1, 2020 through December 31, 2020. Not valid in Brazil, Russia, India or China. Contact your local Crown dealer and/or distributor to confirm extended warranty promo participation.
