

Thrive Together – Diversity, Equity, and Inclusion Pledge

Connection is at the heart of everything we do - connection to our people, our customers, and the communities we live in and serve across the globe. Our commitment to diversity is simple: we provide connection, opportunity, and a voice to everyone, from every background.

WE Thrive Together:

WE appreciate

the visible and invisible qualities that make you who you are. Our diversity makes us better humans and better employees and makes AVI-SPL a better business.

WE celebrate

that every person brings a unique perspective and experience to advance the AVI-SPL mission - to transform how people and technology connect to elevate experiences, create new value, and enable organizations to thrive and grow.

WE believe

that each and every employee must have an equal voice and equal access to opportunity and connection.

WE commit

to include diversity, equity, belonging, and inclusion practices at the center of our daily work.

WE are dedicated

to using these practices for our business and the communities we serve.
