

Transform Your Administration with Newline

Newline focuses on creating products that help you work more efficiently. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to bring in-person and remote work success to keep your government running smoothly.

Large Format Displays

Collaborate and meet with our easy to use touch & non-touch panels.

Desktop Collaboration Solutions

Add touch devices to your small/home office spaces to collaborate & meet.

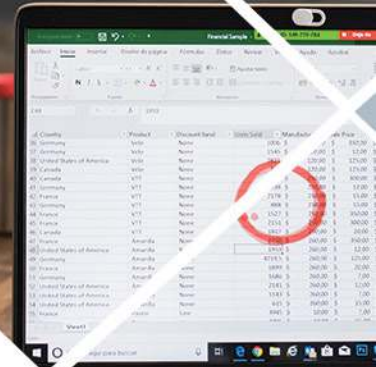

Accessories

Upgrade your meetings with impeccable cameras and on-board computers.

Software

Monitor devices and streamline meeting start ups with software add-ons.

Why Choose Newline?

- All Newline products are easy for anyone to use.
- Completely non-proprietary - use the software you want.
- Perfect for conference rooms and huddle spaces.
- Optimized for modern collaboration - in-person and virtual.
- Seamless integration into existing collaboration systems.

Z Series

Redefine collaboration with the Newline Z Series, an ultra-high definition display that provides an immersive audio-visual experience for your meeting rooms and huddle spaces. The UC Ready Z Series comes with an onboard computer (OPS) and a flexible 4K wide-angle camera. Don't need an OPS or camera? Choose the non-UC Z Series and save.

Q Series

Your team has varying levels of needs, so naturally your office hardware must be equipped to meet that demand. Connectivity that matches your personal devices, displays to rival even the best televisions, and integration that makes for a seamless transition. Leverage the power of the Q Series for today's complex collaboration landscape.

RS+ Series

Collaborate without limits with the RS+ Series, an interactive touch display designed around hassle-free communication. This powerful interactive display runs on an embedded Android 8.0 operating system. No more buffering or delays, get right to work taking notes on an impressive digital whiteboard.

NT Series

Bring your presentations to life with the NT Series, a large format commercial display that lets you focus on just the tools you need to succeed. Save on costs with a non-touch display experience. Rated 24/7, this commercial grade display works as hard as you do.
